

Celerity Risk's Architects & Engineers and Contractors Program provides broad professional liability coverage for architects, engineers and contractors, protecting them against the complex risks inherent in design and construction. Our coverage safeguards against claims arising from errors & omissions, design defects, negligent project management, regulatory compliance exposures, and emerging risks such as BIM technology and sustainable building practices.

With a nationwide appetite spanning firms of all sizes, we offer customized solutions backed by specialized underwriting, superior claims handling, and industry expertise, helping ensure professionals can operate with confidence in an increasingly litigious environment.

 **Jurisdiction:** All U.S. states and D.C.
