

Celerity Risk's Cyber Liability Program provides robust cyber liability coverage to businesses and professionals across the U.S., providing expansive protection against evolving cyber risks globally. Designed for organizations of various sizes and industries, our program offers broad first- and third-party coverage, including Technology Errors & Omissions when required. Policyholders benefit from dedicated 24/7 breach response and claims support, backed by Cypher and a panel of leading legal, consumer remediation, and crisis communication firms for swift and effective resolution.

With expert underwriting and complimentary post-binding risk management resources, our program helps businesses proactively mitigate financial losses, regulatory penalties, and reputational damage. Celerity Risk delivers tailored cyber liability solutions that address the complex challenges of data breaches, cyber attacks, and digital threats, ensuring companies remain protected in an increasingly interconnected world.
