

Insurance Agents & Brokers Professional Liability

Celerity Risk's Insurance Agents & Brokers Professional Liability Program offers critical protection for insurance professionals from the unique risks associated with advising clients and placing coverage. Our policy helps safeguard against claims of negligence, errors & omissions, failure to procure adequate coverage, misrepresentation, and breach of duty—even when allegations are unfounded.

With coverage designed for insurance firms of all sizes across the U.S., we provide customized solutions that address evolving regulatory requirements, complex policy structures, and client expectations. As a non-standard market, Celerity Risk is uniquely positioned to consider risks that fall outside the appetite of traditional carriers. Backed by superior underwriting and responsive claims handling, our coverage helps ensure that insurance professionals can confidently focus on serving their clients.
