

Celerity Risk's School Leaders Professional Liability Program offers critical protection for educational institutions and their administrators against a wide range of professional exposures. Our coverage is designed to address claims arising from employment practices liability (wrongful termination, discrimination, harassment), failure to educate, student discipline, civil rights violations, special education disputes, and mismanagement of funds.

With a broad appetite covering public, private, and charter schools across the U.S., we offer tailored solutions to help mitigate the legal and financial risks school leaders face. Backed by specialized underwriting and responsive claims handling, we help educational institutions navigate today's challenging regulatory and litigation landscape with confidence.
